MAVRIC-IPF Website User Access Guide

Site investigators, staff members, and study team members working on the MAVRIC-IPF trial must register and request an account for access to the secure website.

Go to https://mavricipf.org/mavricipf/user/register and submit the form to register and request an account.

- Please fill out the request form completely.
- Please use your institutional email address as a personal email address (Gmail, Yahoo, etc.) cannot be used.
- The MAVRIC-IPF Data Coordinating Center (DCC) at The University of North Carolina at Chapel Hill will be notified of your account request. The DCC may reach out to verify your information and access level. You will receive a follow-up to your request within two business days.

Please contact the DCC with any questions at mavric-dcc@unc.edu.
